## Time after Time

( Original Cyndi Lauper (1983))

Lying in my bed  
I hear the clock tick and think of you  
Caught up in circles  
Confusion is nothing new  
Flashback, warm nights almost left behind  
Suitcases of memories  
Time after  
Sometimes you picture me  
I'm walking too far ahead  
You're calling to me  
I can't hear what you've said  
Then you say, go slow, I fall behind  
The second hand unwinds

If you're lost, you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

If you're lost, you can look and you will find me  
Time after time  
If you fall I will catch you, I will be waiting (I'll be waiting)  
Time after time

After my picture fades  
And darkness has turned to gray  
Watching through windows  
You're wondering if I'm okay  
Secrets stolen from deep inside  
The drum beats out of time

If you're lost, you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

You said, go slow, I fall behind  
The second hand unwinds

If you're lost, you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

If you're lost, you can look and you will find me  
Time after time  
If you fall I will catch you, I will be waiting (I'll be waiting)

Time after time, time after time  
Time after time, time after time  
Time after time, time after time  
Time after time, time after time
